

## Sponsorship & Exhibition Opportunities

*Parenting is a priority, and parents need your resources to depend on.*

The inaugural K-12/ Parenting Conference & Expo will offer an integrated look at practical insight into parenting, child development, and face-to-face networking opportunities with leading parenting experts. Join the list of business sponsors and exhibitors that understand the need for parents to have the right tools to guide their children in school and life.

### Connecting with the right people

This Parenting Conference & Expo provides the perfect environment for you to do business with parents from Orange, Osceola, & Polk Counties.

### First class business opportunities

- ❖ Enhance your company's brand visibility state wide
- ❖ Reinforce existing partnerships
- ❖ Find new partners and business opportunities

### Cost effective packages to meet your business needs

Our packages are designed to help you meet your business objectives. If you are looking to stand out and win prospective clients, strengthen existing relationships, or enhance your company profile, these options will help you in a cost saving manner.
